* Purchase enough for your child to start the year and replenish as needed.

HS Course–Specific Supply Lists

Instructors for all HS electives not included here will let students know what supplies they need on the first day of school.

Occasionally, a student will need a supply that is not listed (i.e., posterboard, tri-boards, etc) for projects throughout the year.

Supply lists are based on known needs at the time of publishing and are subject to change based on preferences of new teacher hires. We appreciate your understanding.
