### **Legacy Preparatory Christian Academy Celebrates Second Graduating Class**

Legacy Preparatory Christian Academy celebrated the graduation of its second senior class on Thursday, May 21, 2015. The graduation ceremony was held at the school's campus on Research Forest Drive in The Woodlands. This memorable event recognized the graduation of seven outstanding senior students.

Founded in 2005, Legacy Prep is comprised of grades pre-kindergarten through 12<sup>th</sup>. The school prepares students to be successful in college and life by providing a rigorous academic background that is rich in opportunities. Legacy Prep is a Christ-centered, university style school that creates college-worthy, character witnesses for Christ.

According to Paige Jones, Legacy Prep Board Secretary, "This year's graduating class is the perfect snapshot of Legacy Prep's commitment to building college-worthy disciples. From military pledges to pre-med students preparing for the rigors of Baylor College of Medicine, and everything in between, we are so very proud of these young adults and how their gifts will bless the world."

The evening included a graduation ceremony with a valedictorian speech by Adele Mouna. A reception followed at the school to celebrate with family, school staff, faculty, and friends. The graduates received several offers to colleges and universities and were able to choose the higher learning option of their choice.

“Attending Legacy has taught me the importance of time management and planning ahead and has also shown me the blessings and rewards that result from hard work and perseverance,” stated Mouna. “No matter where my life takes me, I will always work my hardest for God’s glory as I know that I am representing Christ in everything I do.”

With enrollment and interest in Legacy Prep continuing to grow, the school is excited to begin its 11<sup>th</sup> year.
