### **Legacy Preparatory Christian Academy Celebrates Graduating Class of 2021**

Legacy Preparatory Christian Academy celebrated the graduation of its senior class on Friday, May 21, 2021. The graduation ceremony was held at the school's campus on Research Forest Drive in The Woodlands. This memorable event recognized the graduation of 33 outstanding senior students.

Founded in 2005, Legacy Prep is comprised of grades pre-kindergarten through 12<sup>th</sup>. The school prepares students to be successful in college and life by providing a rigorous academic background that is rich in opportunities. Legacy Prep is a Christ-centered, university style school that creates college-worthy, character witnesses for Christ.

According to Casey Clark, Legacy Prep Board of Directors Member, "We are extremely proud of our 2021 graduating class at LPCA. These seniors overcame significant obstacles in this unprecedented year of COVID and thrived in the face of a global pandemic. In spite of all that was put in front of them this year, they remained resolute in their pursuit of the mission of Legacy as they developed into college-

worthy character witnesses for Christ. We wish each one of them success as they pursue the calling that God has on their lives.”

The evening included a graduation ceremony with a valedictorian speech by Sean Stepanik. The benediction was given by Lauren Walker, Legacy Prep salutatorian. The graduates received several offers to colleges and universities and were able to choose the higher learning option of their choice.

Audra May, Legacy Prep Head Administrator, stated, “This year's class is distinct because there was reason to believe early in the summer that they wouldn't even be on campus. But, they embraced our theme for the year, ‘Fearless,’ like the Lions they are called to be and completed one of the most successful school years in my memory; academically, spiritually, and athletically. Because of their steadfast love for Christ and their desire to spread the Good News, I know they will do big things for the Kingdom!”

With enrollment and interest in Legacy Prep continuing to grow, the school is excited to begin its 17<sup>th</sup> year.
