

Growing our LEGACY

Welcome to Growing our Legacy Campaign

In 2011, Legacy Preparatory Christian Academy (Legacy) Board of Directors and leadership team successfully kicked off their first capital campaign, **Building Our Legacy**. God called the families of our then 200 students to join together and financially invest in the dream of our own campus. That campaign led to the purchase of our existing land and buildings.

God called our little school to do something big in 2011, and this community responded, "Here am I!"

*Then I heard the voice of the Lord saying, "Whom shall I send? And who will go for us?"
And I said, "Here am I. Send me!" - Isaiah 6:8*

In 2014, we built our Legacy. Now it's time to **Grow our Legacy!**

Current Status

We are witnessing overwhelming interest in the university-model from our community. Parents are seeing the need for more involvement in their child's education. With this increased growth, entire grade levels are at capacity and space is limited. A majority of Legacy families interviewed supported the need for campus expansion and had the capacity to raise upwards of \$10 million over three years.

Today, we believe God is calling us to embark on another journey and another capital campaign, **Growing Our Legacy**. The Legacy Board and leadership team have a bold vision to expand and enhance our campus, not only addressing the current need for additional space but also blessing future generations to come.

Train up a child in the way he should go and in keeping with his individual gift or bent, and when he is old he will not depart from it.

-Proverbs 22:6

Growing Our Legacy

Aside from allowing more students to enroll at Legacy, replacing temporary portable classrooms with permanent classrooms will bring all of our students into the safety of the main facility and reduce operating costs. Each new room will be equipped with smart-boards and other technology enhancements, as well as, providing larger spaces to better accommodate our student/teacher ratios. Our campus will be even more inviting with an added entrance, updated Legacy signage, and campus beautification. Additionally, security fencing around the buildings, surveillance cameras, and other technology upgrades will enhance the safety of our students and faculty.

Classrooms/Multipurpose Space

- Construction of 21 permanent classrooms, replacing portables
- Flexible space to be used for indoor recess, P.E. classes, extra curricular activities, and Friday electives
- New offices, workrooms, and student tech center
- Additional student meeting area

Project Budget

Classroom/ Multipurpose Space	\$ 6MM
Property Development/ Soft Costs	\$ 2MM
Stretch Goal	\$8MM+

Property Development

- Enhanced fencing and security upgrades
- Improved campus traffic flow and safety
- Updated Legacy signage and campus beautification
- Expanded parking
- Redesign of new campus entry and detention pond

Join us in Growing Our Legacy

This project positions Legacy to better serve its current and future students. With our Legacy family and community support, we will inspire and equip the next generation of Lions to live out their faith through authentic servanthood. We will continue to foster the spiritual development of our youth with an accurate biblical worldview. And most importantly, we will send a growing number of disciples into the world to tell others the Good News of Jesus Christ and His love for them.

We invite you to join us in this effort with the, “Here am I,” boldness of Isaiah. Won’t you prayerfully consider how you can help **Grow Our Legacy?**

*Rise Up! This matter is in your hands,
so take courage and do it.*

Ezra 10:4

Investing in Our Legacy

The Legacy Board of Directors and leadership team are seeking generous donors to support the **Growing Our Legacy** campaign. Donors are encouraged to “stretch” their giving over a three-year span which will help us adequately resource the building. The faith and commitment of current and past families have brought Legacy to where we are today. And it will be that same FEARLESS faith and commitment going forward that will allow Legacy to grow and impact so many others. Legacy’s Christ-centered and family-based educational experience is badly needed today. If this community has been a blessing to your family, prayerfully join us in **Growing Our Legacy**.
