

Legacy Prep Smug Mug Links 2022-2023

As you photograph Legacy events and students throughout the year, please upload the photos to our SmugMug site. This will allow Legacy families to share photos and give the yearbook class access to photos for the Legacy yearbook. Choose the link below that coordinates with the appropriate folder to upload pictures from the year. To view and download from our Legacy SmugMug gallery, go to the Student Life – SmugMug Photo Gallery tab on our website. The SmugMug password is golions. If you have any questions, please email Mollie Williamson at mwilliamson@legacypca.org.
