

Class Descriptions for Fall 2022 Legacy Friday Electives

8:30-9:30am	
Homework Help 2-4 th grades	Homework Help is a study hall for elementary students. Students will need to bring homework or reading materials to each class period where they will quietly complete as much work as time allows. Electronic devices, etc. will not be allowed. Homework Help will be monitored by Mrs. Wright who will be able to assist the students if needed.
Soccer Shots Pk-2 nd grades	Soccer Shots is an engaging children's soccer program with a focus on character development. Our caring team positively impacts children's lives on and off the field through best-in class coaching and communication. Our expert-approved curriculum is age-appropriate and aligns with childhood education standards and Texas Early Learning Guidelines. Soccer Shots is also the official partner for US Youth Soccer. In addition, we provide an exceptional customer experience and ongoing communication with parents. A second class is offered at 9:30 for students in 1 st -4 th grades.
Art: Young Rembrandts Building Artists 2 nd -4 th grades	YR Art classes are designed to teach drawing skills, art techniques and vocabulary, exposing the students to a different subject every week. The thoughtful repetition of Young Rembrandts step-by-step methodology increases visual literacy, fine motor skills, intellectual development and out of the box thinking while boosting self-confidence and bringing a creative outlet for our students. We believe that drawing is the bedrock skill required for future success in many areas in life: we strive to provide children with skills to express their creativity and believe they all can – and should – learn to draw and enjoy it. Come Draw with Us!
Health & Wellness 2 nd -4 th grades	Come learn to take care of the amazing body God has given you. Certified Nutritionist and Personal Trainer, Brandi Nesbit, will explore the pathway to health and strength through healthy eating, physical activity, and education.
Morning Playtime Pk-1 st grades	Morning Playtime is a great way to start the day. Join Mrs. Boaz for fun with Legos, building blocks, magnet tiles, Little Bear, Dr. Suess and more.
Bible Journaling 2 nd -4 th grades	Read it! Pray it! Write it! Draw it! Do it! A faith-building interactive journaling class for kids led by Mrs. Griffin. Journals, markers and decorating supplies will be provided.

Class Descriptions for Fall 2022 Legacy Friday Electives

9:30-10:30 am	
Intro to Cooking 2 nd -4 th grades	Coach Tabitha teaches young chefs basic kitchen skills while creating fun and delicious goodies. If your child has food allergies, please contact pgunn@legacypca.org before enrolling. Class size is limited- once the class is filled, a waiting list will be started for the spring semester.
Soccer Shots 1 st -4 th grades	Soccer Shots is an engaging children's soccer program with a focus on character development. Our caring team positively impacts children's lives on and off the field through best-in class coaching and communication. Our expert-approved curriculum is age-appropriate and aligns with childhood education standards and Texas Early Learning Guidelines. Soccer Shots is also the official partner for US Youth Soccer. In addition, we provide an exceptional customer experience and ongoing communication with parents. An 8:30 class is offered to students in Pk-2 nd grades.
Art: Young Rembrandts Drawing Little Hands Pk-1 st grades	Our classes are designed to teach drawing skills, art techniques and vocabulary, exposing the students to a different subject every week. The thoughtful repetition of Young Rembrandts step-by-step methodology increases visual literacy, fine motor skills, intellectual development and out of the box thinking while boosting self-confidence and bringing a creative outlet for our students.
Martial Arts: Cox ATA Pk-4 th grades	As the top Martial Arts School in Magnolia and a member of the largest Martial Arts organization in the world, American Taekwondo Association (ATA), you can be assured that you will be getting the very best. We focus on life skills like respect, honor, determination, effort, self-control, friendship, confidence, loyalty, integrity, and goals. <i>"Martial Arts Is An Individual Sport With A Team Environment."</i> Mr. Kalob Cox- Chief Certified Instructor.
Gymnastics: Chimal Pk-4 th grades	Coach Alex Chimal, a certified gymnastics coach with USA Gymnastics, has coached gymnastics at a competitive level. He has 35 years of acrobatic experience as a professional circus performer, trainer, and spotter. Gymnastics is beneficial to students in other sports since they work on balance, gross motor skills, flexibility, and strength and safety. We feature a tumble track, bars, rings, mats, balance beam and mini trampoline.
Science: Little Beakers STEAM & Dissections K-4 th grades	With its trademark hands-on philosophy, Little Beakers' weekly STEAM-intensive lab sessions will excite and engage students through projects that encompass chemistry, physics, biology, microbiology, biochemistry, forensic science, earth science, geology, space science, astronomy, and more.
Storybook STEM 1 st -2 nd grades	Mrs. DeYoung brings together favorite children's books with a complementary STEM activity- and along the way some animal friends come for a visit.
Chess: The Knight School Pk-K grades	Little Geniuses Chess is a singing, laughing, chess-tourney, dancing, chess-clock-slapping, puppet show class that is infectiously fun. Join us!

10:30-11:30	
Homework Help Pk-4 th grades	Homework Help is a study hall for elementary students. Students will need to bring homework or reading materials to each class period where they will quietly complete as much work as time allows. Electronic devices, etc. will not be allowed. Homework Help will be monitored by Mrs. Boaz who will be able to assist the students if needed.
Spanish: The Language Spark Pk-4 th grades	The Language Spark's Spanish Immersion class is designed to ignite a love of learning Spanish in young children and to do so in fun, innovative ways. The curriculum is theme-based so that children will be engaged with subject area materials that bring Spanish to life through current Second-Language Acquisition techniques. Children will also play games, sing songs, use manipulatives, make crafts and watch short videos in Spanish in order to acquire new vocabulary and phrases. Break-out groups will be offered to more advanced students.
Art: Young Rembrandts Pastels 3 rd -4 th grades	Join us for our new class designed for older students. We will spend multiple weeks completing beautiful pastel drawings. Our classes are designed to teach drawing skills, art techniques and vocabulary. The thoughtful repetition of Young Rembrandts step-by-step methodology increases visual literacy, fine motor skills, intellectual development and out of the box thinking while boosting self-confidence and bringing a creative outlet for our students.
Club Sports Pk-1 st grades	Coach Tabitha will cover the philosophy of FFL– Fun, Fitness, and Learning. Soccer, flag football, baseball, tennis, basketball, capture the flag, dodgeball, and golf/frisbee golf and additional games and activities will be featured. Basic skills, fundamentals, rules, and strategy are taught and incorporated into healthy, kid friendly competition with an emphasis on teamwork, fairness, good sportsmanship, accountability, encouragement, unselfishness, and leadership.
Circus Arts: Chimal Pk-4 th grades	Coach Alex Chimal is a professional 4th generation circus performer, coach and choreographer with over 35 years of experience. Students will have the safest training on fun circus arts activities such as juggling, unicycles, balance on low wire, hula hooping, acrobatics on tumble track, and aerial silks, hoop, or trapeze as well as teaching performance of these skills.
Chess: The Knight School 1 st -4 th grades	Elementary Chess is a kid-centered environment where kids learn the coolest tricks, strategies, and tactics in 'chessdom'.
Storybook STEM Pk-K grades	Mrs. DeYoung brings together favorite children's books with a complementary STEM activity- and along the way some animal friends come for a visit.

11:30-12:30	
Homework Help Pk-4 th grades	Homework Help is a study hall for elementary students. Students will need to bring homework or reading materials to each class period where they will quietly complete as much work as time allows. Electronic devices, etc. will not be allowed. Homework Help will be monitored by Mrs. DeYoung who will be able to assist the students if needed
Golf: TGA Pk-4 th grades	Students will progress through two TGA levels! All equipment is provided by TGA. In this course, students will learn through drills, games and challenges. They will also be introduced to course rules and golf etiquette. Skills include: putting, chipping, "3/4" swing and full swing. Along with the introduction to golf and tennis, TGA also incorporates S.T.E.A.M (STEM) training into their curriculum. That would be TNT DYNAMITE!
Science: Little Beakers STEM K-4 th grades	With its trademark hands-on philosophy, Little Beakers' weekly STEM-intensive lab sessions will excite and engage students through projects that encompass chemistry, physics, biology, microbiology, biochemistry, forensic science, earth science, geology, space science, astronomy, and more. With lab coats and safety glasses provided each week, project work will be accomplished through: * The use of laboratory equipment, including standard and digital microscopes * Simple dissections of preserved specimens * The interactive study of atoms and mater using molecular building models * Brief reviews of key historical scientists and inventors Little Beakers.... created by a scientist for future scientists!
Club Sports 2 nd -4 th grades	Coach Tabitha will cover the philosophy of FFL– Fun, Fitness, and Learning. Soccer, flag football, baseball, tennis, basketball, capture the flag, dodgeball, and golf/frisbee golf and additional games and activities will be featured. Basic skills, fundamentals, rules, and strategy are taught and incorporated into healthy, kid friendly competition with an emphasis on teamwork, fairness, good sportsmanship, accountability, encouragement, unselfishness, and leadership.
Cheer 2 nd -4 th grades	Mrs. Griffin will teach our girls the same cheers done by the Legacy JR/High School Cheer Squads. Additionally, the girls will learn the importance of working in a group as well as independently. Many fun game day activities will be planned.

Class Descriptions for Fall 2022 Legacy Friday Electives

1:00-2:00	
Computer Programming: Coder Kids Scratch 2 nd -4 th grades	Coder Kids' main focus is teaching students the principles of computer programming through coding games, animations, and simple programs. We use platforms like Scratch, Python, and Unity to create these projects.
Tennis: TGA Pk-4 th grades	TGA makes it convenient and fun for your child to learn and play tennis right on their school campus! Our proprietary curriculum was created by TGA's education experts and the United States Tennis Association (USTA). Students will experience a mix of tennis instruction, rules & etiquette lessons, educational components, character development lessons and physical activity as they advance through the five-level program.
Art: Young Rembrandts Cartooning 2 nd -4 th grades	Our classes are designed to teach drawing skills, art techniques and vocabulary, exposing the students to a different subject every week . The thoughtful repetition of Young Rembrandts step-by-step methodology increases visual literacy, fine motor skills, intellectual development and out of the box thinking while boosting self-confidence and bringing a creative outlet for our students . We believe that drawing is the bedrock skill required for future success in many areas in life: we strive to provide children with skills to express their creativity and believe they all can – and should – learn to draw and enjoy it. Come Draw with Us!
Football 2 nd -4 th grades	Coach Morrow's class is for students who want to have FUN while learning the sport of football! In this course, students will cover fundamentals and skills of football such as plays, passing, receiving, rules, and strategy. There will be drills, kid friendly competitions, and scrimmage play. Conditioning, teamwork, and good sportsmanship are also strongly emphasized in every class.
Fun and Games Pk-1 st grades	Mrs. Boaz leads this fun class designed for students to relax and just have fun. They are allowed to choose from a large selection of games and Legos and enjoy time with their friends. If the weather is nice, a trip to the playground may be the choice of the day.
Robotics: Lego Kits 2 nd -4 th grades	This exciting new class features the LEGO® Learning System- an intuitive, inclusive, and highly adaptable hands-on learning system. It future-proofs students' skills and makes them confident life-long learners by giving them unlimited possibilities for hands-on, playful STEAM learning.
