

CORPORATE SPONSORSHIP OPPORTUNITIES

Dear Legacy Families,

The growth of our school community and athletic program here at Legacy Prep continues to be phenomenal! Our athletic program has seen exceptional successes during the past years, including several state titles in multiple sports. Along with the outstanding leadership from our school administration and our athletic department, another major contributor to our athletic program's success is from our Legacy Athletic Booster Club.

Our coaches use the platform of sports to teach technical skills, teamwork, discipline, loyalty, dependability, hard work and integrity. They provide an atmosphere where the students are given the opportunity for fun and fellowship while staying active. Most importantly, our coaches put Jesus Christ at the forefront of everything they do with your student-athletes. Legacy athletics plays a key role in helping to provide a rewarding future in our children's lives.

The Legacy Athletic Booster Club is dedicated to sharing who we are with our local communities. We work hard each year to attract a variety of corporate sponsors to assist in that goal. Partnering with local companies allows them the opportunity to advertise directly to our school community and our visitors, as well as helping cover expenses for our growing athletic programs. Along with community sponsors, we are blessed to have several Legacy families who have family-owned businesses that are corporate sponsors of the Legacy Athletic Booster Club.

Next time you're on campus, take notice of the corporate sponsorship banners displayed at our outdoor venues (football and baseball fields) and also check out our corporate sponsorship advertisement board on the wall of the gym. We have new ideas in the works and would love for you to participate along with us in this exciting growth and our fast-growing corporate sponsorship program!

Whether you have your own family business or know someone that may be interested, we invite you to share the information below with others.

Thank you for your support of Legacy and its athletic programs!

Rachel Alarid
